INDEPENDENT AUDITORS' REPORT

Board of Directors
East Brooklyn District Management Association, Inc.
80 Jamaica Avenue, 3rd Floor
Brooklyn, NY 11207

Report on the Financial Statements

We have audited the accompanying statement of financial position of East Brooklyn District Management Association, Inc., (the, "Organization") as of June 30, 2020, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors' consider internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of East Brooklyn District Management Association, Inc. as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2020 on our consideration of East Brooklyn District Management Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and in considering East Brooklyn District Management Association, Inc.'s internal control over financial reporting and compliance.

EAST BROOKLYN DISTRICT MANAGEMENT ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Note 1 - **Background**

In 1983, East Brooklyn District Management Association, Inc., (“EBDMA”) was organized under the Laws of the State of New York and is exempt from taxation under Section 501 (c) (3) of the Internal Revenue Code.

The EBDMA was organized to create a Business Improvement District, (“BID”) within a forty-block area in East Brooklyn Park area to enhance the business environment, bolster economic activity, and supplement municipal services. The Association’s activities and services include maintenance, and supportive services.

Revenues, (“Assessments”) for the fiscal year ended June 30, 2020 per agreement with New York City Department of Small Business Services, (“SBS”) were \$142,500.

Note 2 - **Summary of Significant Accounting Policies**

Basis of Accounting and Presentation

The financial statements of EBDMA have been prepared on the accrual basis of accounting following accounting principles generally accepted in the United States of America.

New Accounting Policies from Recent Accounting Pronouncements

In August 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update, (“ASU”) No. 2016-14, Not-for-Profit Entities (Topic 958) - Presentation of Financial Statements of Not-for-Profit Entities (“ASU 2016-14”). ASU 2016-14 changes presentation and disclosure requirements for not-for-profit entities to provide more relevant information about their resources (and the changes to those resources) to donors, grantors, and creditors, and other users. These include qualitative and quantitative requirements in the following areas: • Net Asset Classes; • Investment Return; • Expenses; • Liquidity and Availability of Resources; and • Presentation of Operating Cash Flows.

Under the provisions of the Guide - ASU 2016-14, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the BID and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the BID. The Organization’s board may designate assets without restrictions for specific operational purposes from time to time. The BID assessments made by New York City is the primary source of support for the organization. In the current year, the BID assessments represent one hundred (100%) of the Organization’s revenues.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. For the fiscal year ended June 30, 2020, there were no Net assets with donor restrictions.

EAST BROOKLYN DISTRICT MANAGEMENT ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

New Accounting Policies from Recent Accounting Pronouncements (Continued)

The Organization has implemented ASU 2016-14 changes; there was no impact on the Organization's change in net assets or financial position upon adoption of the new standard.

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2014-09 that introduces a new five-step revenue recognition model in which an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This ASU also requires disclosures sufficient to enable users to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers, including qualitative and quantitative disclosures about contracts with customers, significant judgments and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract. The standard is effective for fiscal years beginning after December 15, 2018, with early adoption permitted for nonpublic entities.

The Organization has implemented ASU 2014-09 changes; there was no impact on the Organization's change in net assets or financial position upon adoption of the new standard.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, EBDMA considers all highly liquid debt instruments purchased within maturity of three months or less to be cash and cash equivalents.

Depreciation

Depreciation is provided over the useful life of Equipment on a straight - line basis. The estimated useful lives for Equipment range from 3-7 years.

Capitalization Policy

Equipment are recorded at cost, if purchased, or fair value, if donated. Equipment of less than seven hundred (\$700) dollars are expensed.

Contributions

Under accounting principles generally accepted in the United States of America, East Brooklyn District Management Association, Inc. reports gifts of land, buildings, and equipment as net assets without donor restriction support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are to be reported as net assets with donor restriction support. In the absence of explicit donor stipulations about how long those long-lived assets must be maintained, East Brooklyn District Management Association, Inc. reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

EAST BROOKLYN DISTRICT MANAGEMENT ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2020

Note 2 - **Summary of Significant Accounting Policies (Continued)**

Revenue Recognition

One hundred percent (100%) of the revenues are received from the special BID assessments made by New York City which are based on levies on businesses and funded through SBS.

Generally, all donor-restricted support is reported as an increase in net assets with donor restriction, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends, or purpose restriction is accomplished), net assets with donor restriction are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions. However, revenues whose restrictions are met within the same fiscal year are initially recorded and classified as net assets without donor restriction.

Income Taxes

East Brooklyn District Management Association, Inc. is exempt from Federal income taxes under Section 501 (c) (3) of the US Internal Revenue Code.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing various programs and supporting services have been summarized on a functional basis in the Statement of Activities. The Statement of Functional Expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Note 3 - **Cash and Cash Equivalents**

Cash and Cash Equivalents represent cash held in the Organization's operating account at Citibank. At June 30, 2020, Cash and Cash Equivalents are \$42,946.

EAST BROOKLYN DISTRICT MANAGEMENT ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2020

Note 4 - **Equipment, Net**

Equipment, Net at June 30, 2020 consisted of the following:

Equipment	\$ 32,911
Less: Accumulated Depreciation	(32,266)
Equipment, Net	<u>\$ 645</u>

Depreciation Expense at June 30, 2020 is \$0.

Note 5 - **Concentrations of Revenue Sources**

EBDMA receives one hundred percent (100%) of its revenues from assessment funds from New York City. Any significant change in the government's approach to funding could significantly affect its revenues and the Organization's ability to function. Such changes may occur with little notice or inadequate funding to pay for the related costs, including the additional administrative burden, to comply with a change.

Note 6 - **Related Party**

One member of the Board of Directors of the EBDMA is also a member of the Board of Directors of Local Development Corporation of East New York, ("LDCENY").

EBDMA shares office space, equipment, management services, bookkeeping, administrative services, and personnel with LDCENY through an agreement with them.

Note 7 - **Liquidity and Availability**

The Organization's Financial Assets are available for general expenditure, that is without donor restrictions limiting their use, within one year of the balance sheet date. The Financial Assets comprise of the Cash and Cash Equivalents of \$42,946. There were no donor restrictions or other limits on Cash and Cash Equivalents to be used in the next year.

EAST BROOKLYN DISTRICT MANAGEMENT ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2020

Note 8 - **Functional Expenses**

The Organization's financial statements report certain categories of expenses that are attributed to one program: Business Neighborhood and Development and one support function: Management and General. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include: salaries and fringe benefits, cleaning and sweeping, pest extermination, promotions and advertising, economic and community development and other expenses which are allocated based on the basis of estimates of time and effort.

Note 9- **Actual vs. Assessment Budget**

For the year ended June 30, 2020, actual expenditures were less than the expenditures budgeted due to the COVID-19 pandemic and New York State and New York City's response with mandates to shutdown business services.

Note 10 - **Subsequent Events**

EBDMA evaluated its June 30, 2020 financial statements for subsequent events through December 15, 2020, the date the financial statements were available to be issued. EBDMA is not aware of any subsequent events which would require recognition or disclosure in the accompanying financial statements.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON
COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING
STANDARDS***

Board of Directors
East Brooklyn District Management Association, Inc.
80 Jamaica Avenue, 3rd Floor
Brooklyn, NY 11207

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of East Brooklyn District Management Association, Inc., as of and for the year ended June 30, 2020, and the related notes to the financial statements, and have issued our report thereon dated December 15, 2020.

Internal Control Over Financial Reporting

In planning and performing the audit of the financial statements, we considered East Brooklyn District Management Association, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion of the effectiveness of East Brooklyn District Management Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of East Brooklyn District Management Association, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether East Brooklyn District Management Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Aston Bell, CPA
